**Play Periods Run For Four (4) Consecutive Drawings - Two Weeks for Most Games**

- The Pool:** Members of The Lottery Alliance agree to abide by the following pool rules.  
**Please Read Carefully:** Sending your contribution will be verification that you have read and agree with the group rules, below, for pools you choose to join.
- Contributions:** Players add \$10.00 or \$20.00 to help fund this pool, which will be played for at least one drawing and up to four consecutive draws depending on date of members' entry.  
**Contributions require an additional \$1.00 to cover PayPal transfer fees, so send \$11 or \$21**
- Additional Contributions:** Contributions for this pool or any pool of The Lottery Alliance can be made up to the last draw date of the pool's Regular Play Period. The cut-off time is 3 p.m. CST (US)
- Play Period:** Unless stated otherwise, a Regular Play Period consists of four (4) consecutive draws, and plays the same number selections for two weeks using the "Advance Play" feature.
- Prize Distribution:** Prize Distribution to members will be on a pro rata basis, according to the contribution amount made by each player. For instance, a member contributing \$20 to a pool will receive twice the amount of prize money distributed to a member contributing only \$10. Total prize winnings of \$1,000 or less will be used to buy additional chances for the pool. Members maintain their same pro rata share in chances purchased with prize winnings.
- Pool Size:** *Each Pool is limited to 100 participants. If demand warrants, a new pool will be started.*
- Tickets:** Tickets purchased for pools will be scanned and posted online prior to each drawing.
- Shares:** Members' shares in a pool will be available online for download in an Excel spreadsheet at [www.LotteryAlliance.com](http://www.LotteryAlliance.com). Direct your questions to [info@lotteryalliance.com](mailto:info@lotteryalliance.com).
- Contact:** Communication will be via email and the team website at [www.LotteryAlliance.com](http://www.LotteryAlliance.com).

**No top jackpot prize will be claimed by a pool until a majority of team members meet and consult with legal and counselors qualified to advise on financial planning and tax laws.**

The jackpot will be collected in a lump sum cash value amount by a legal Group Trust arranged prior to collection of the winning prize. The Trust Manager will make the pro rata distribution to members.
